**Retail price:** \$24.95 plus \$4.95 shipping and handling

## *Colorado's Scenic Byways: An Outdoor Lover's Guide*

highlights the unique attributes of each of the state's 25 scenic byways, as well as the state and national parks, forests and waterways along them. This fun and comprehensive guide is a useful tool

of any age. Instead of offering the byways as simply alternate routes -- highway diversions from the freeway system to be

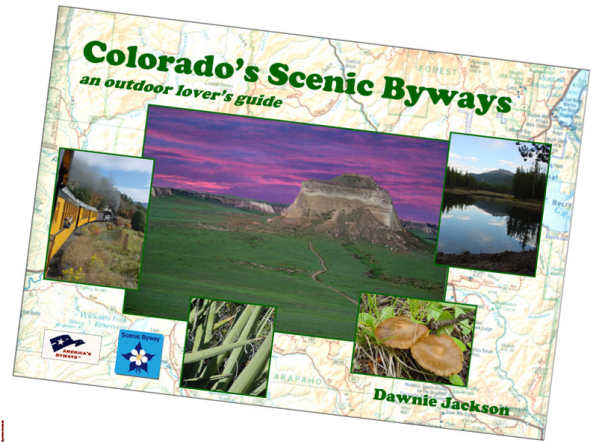

driven in a matter of hours -- this book challenges the traveler to use the byway system to plan destination vacations. You'll meet each byway up close and personal, and discover its scenic, natural, recreational, cultural, historical and archaeological features.

### About the Author:

Dawnie Jackson and her Samoyed dog, Torri, spent the summer of 2006 traveling all 25 scenic byways in Colorado, covering almost 9,000 miles of awesome beauty.

In *Colorado's Scenic Byways: An Outdoor Lover's Guide*, she shares her love of nature and the state. Dawnie has been involved with the Colorado River Headwaters

Byway since the early 1990s when the route was first designated. Her work to establish and run the byway through the federally-funded grassroots program gives her a unique perspective on these incredible resources.
